

ENVIRONMENTAL MANAGEMENT SYSTEM CERTIFICATE

This is to certify that

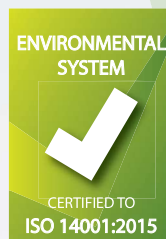

SPEL Environmental Pty Ltd t/a SPEL Stormwater

100 Silverwater Road, Silverwater, NSW 2128

has established an Environmental Management System complying with the requirements of the ISO 14001:2015 International Standard for Environmental Management.

The above organisation is committed to the prevention of pollution and has been assessed by Qual-Safe Management Systems as having the capability to control the environmental aspects and impacts of its activities in accordance with the Standard.

The scope of the Management System covers the prevention of pollution through the design, manufacture, maintenance and provision of quality storm-water treatment systems for the water and wastewater industry.
